## Creigiau Flock Introduction

JMP/19/001 'Sunrise Upperclass'  
a.k.a 'Sunny'

(photo taken when he was a lamb)

'Sunny' was purchased by us at Carlisle 2019 and is producing lovely big lambs for us. His Sire YKK/17/0094 'Janos Sydney' "A real powerhouse of a sheep" was Reserve Overall Champion at RWAS 2018. His Dam is by GBT/15/082 'Goitre Pocket Rocket' who was placed first at RTCAS 2018.

The Creigiau Flock of Pedigree Berrichon Sheep was established in 2008. The flock has grown steadily since then and now stands at fifty breeding ewes. We show our sheep throughout the summer months and have been fortunate enough to have won numerous Breed and Reserve Breed Championships, two Interbreed Championships and the society's Reid Minty Shield twice.

All Creigiau sheep are on the Heptavac-P Plus system.

## **Statesman Flock Introduction**

Since the Statesman Flock was established in 2004, it has consistently bred high quality stock with shape, good skins and style for pedigree and commercial sheep markets alike. Great success has been achieved in both the show and sale rings, winning top show flock numerous times, and setting sale centre records. The flock has won breed champion at the RWS, GYS, RTCS as well as the top spot the premier show & sale at Carlisle three times.

***Statesman Pinnacle*** - Carlisle champion 2016 & sold for a female centre record 1900gns

Statesman sheep have been the foundation stock of many pedigree flocks and have either achieved breed championships for their new owners or gone on to breed show winners. This year's crop of lambs are sired by the consistent breeding ram, Windrush V8 (see photo below as a lamb).

Please find us on Facebook 'Statesman Berrichons' for more info and photos of the stock entered.

## **Millpond Flock Introduction**

The Millpond Flock was started in 2018 by buying stock from Builth NSA Sale and over the last 4 years have bred some ewes and added to the flock buying at Worcester & Carlisle and also private sales from Windrush Farm on numerous times.

“Due to health reasons” it is with a very heavy heart the sheep in this sale are from a part of a flock dispersal.

The rest of the flock are flock ages, for dispersal privately, good quality ewes, from good breeding.

Call 07594410599 for details.

## **Yarburgh Flock Introduction**

Richard and Jade of Yarburgh Pedigree Livestock in Louth, Lincolnshire acquired their current breeding lines from many of the influential flocks around the UK. It has become evident that Richard has a keen eye when it comes to recognising excellent genetics and successful blood lines. They are breeding plenty of bone and length with an abundance of muscle. All of their sheep are very correct with the signature 'Yarburgh head'. This has been proven with the Yarburgh flock having many show and sale winners. They had Female Champion at Worcester last year with Yarburgh Westerly, bought by the Tooloos flock. The same happened at Carlisle, they took Female Champion with Yarburgh Wednesday, bought by Golanview flock from Northern Ireland. The quality also follows through into their commercial flock. In Spring this year, their commercial lambs topped their local Livestock Market in Louth, which was also the highest price in the UK for that week.
